

# SCORE REPORT

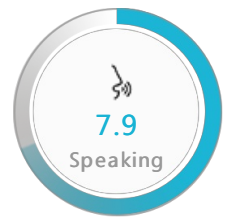

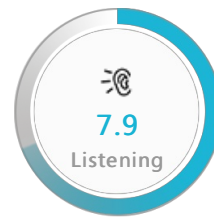

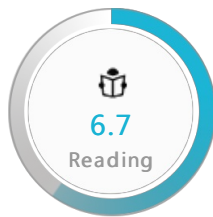

Test Date: 13 March 2018

Test ID: STEP1390848

**Gowtham**

**Overall Score**

## Your Skills

### You are performing well in:

- ~ Listening Comprehension
- ~ Interpreting Phrases

### You can do better in:

- ~ Reading Comprehension
- ~ Tenses

## LEVEL 5-6 Intermediate / Advanced Vocational:

You have scored higher than the Basic category, but you will need to improve your English in order to be considered Proficient. You have enough English to work in skilled industrial roles where people speak a mix of English and Indian languages, such as a supervisor in an Indian factory or as a cable television installer, but probably not sufficient to get a job in a mainly English speaking office.

You have a good foundation in English - practice will improve your score.

**Your STEP score indicates that you can do the following:**

**Comprehension**

CAN understand most moderately complex formal and informal communication related to life experience and general knowledge.

CAN comprehend some abstract concepts and ideas.

### Processing Information

CAN comfortably converse informally on topics of general interest or work related topics.

CAN understand text that is factual, descriptive or argumentative with opinions and implied meanings

### Interaction

CAN communicate with some confidence in many daily routine, social, educational, and work situations

CAN present factual and some abstract information on a range of familiar topics using simple and some complex structures

### Production

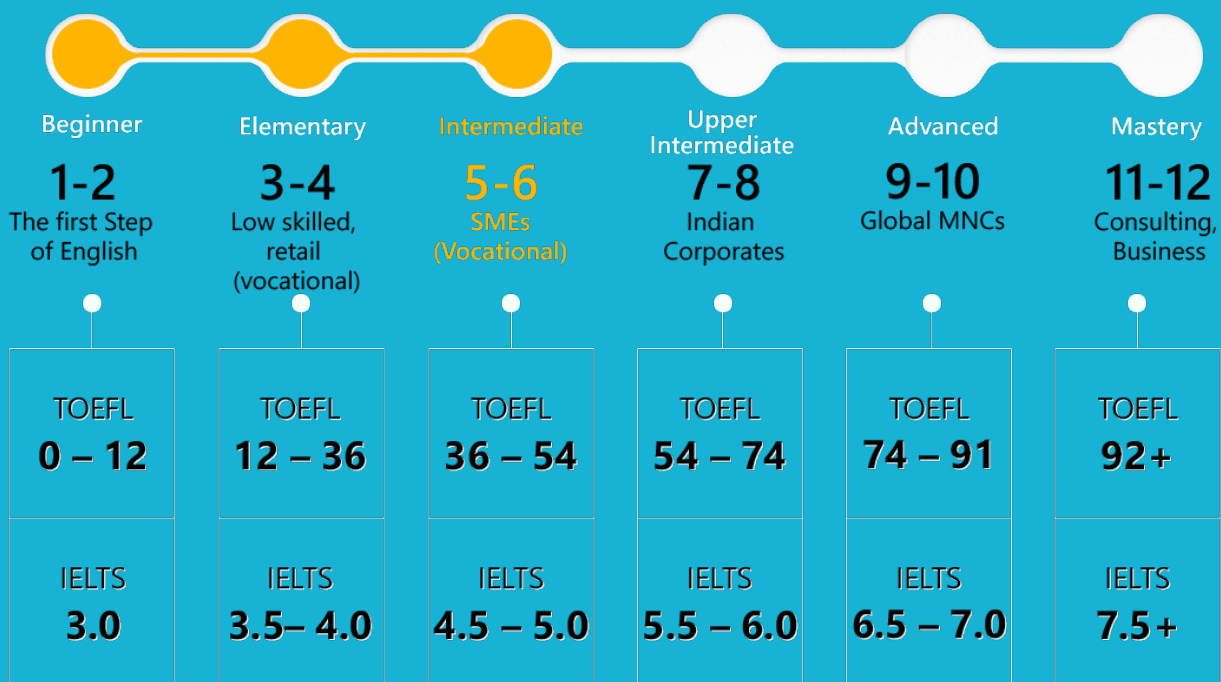

CAN write clear, moderately complex texts with clearly expressed main ideas and adequate supporting details.

CAN write with good control of simple grammar, spelling, and punctuation

CAN use a wider range of vocabulary including some abstract or specialized terms and idiomatic language.

### What does your STEP score mean?

STEP has been benchmarked to global standards as well as the needs of employers. The table below estimates typical performance on international benchmarks based on your STEP score.

Please note that this report is for indicative purposes only and should not be used as a certificate of proficiency.
